

Supporting Student Academic Success!

Dear Students,

The CSUSM University Library faculty and staff want you to know that, even though the building may be physically closed, we are here virtually to support you during the summer session. Please read below about the library's services and resources that can be accessed from off campus. We have also created an [All-Virtual Library webpage](#) to help you navigate the library's virtual services and resources.

Feel free to reach out to us, if you need assistance of any kind.

Sincerely,
